ENDLESS POSSIBILITIES OF GLASS DECORATION.

ONE PARTNER. UNLIMITED BRANDING POSSIBILITIES.

CERAMIC SCREEN PRINTING

**Brilliant colours.
Exceptional durability.**

Premium ceramic printing with up to 8 colours delivers vibrant decoration and outstanding dishwasher resistance.

DIGITAL PRINTING

Unlimited creativity.

Personalised graphics, short production runs and virtually unlimited design flexibility for almost any glass shape.

UV PRINTING

Maximum visual impact.

Intensive UV colours, high opacity and photorealistic decoration with tactile effects and outstanding brilliance.

DIGITAL 3D RELIEF

Decoration you can feel.

The industry's leading digital 3D relief printing technology with unmatched precision and depth.

LASER ENGRAVING

Permanent precision.

Elegant laser engraving on the outer or inner surface of the glass creates refined branding with lasting quality.

COATING

Distinctive colour identity.

Full or partial colour coatings create instantly recognisable premium glass collections.

UV AURORA METALLIC

Premium metallic finishes.

From brilliant UV metallic effects to elegant gold accents for eye-catching premium decoration.

GOLD RIM

Luxury in every detail.

Hand-applied genuine gold decoration adds timeless elegance to premium glassware.
